

# Welcome

Welcome to the website of the Will County Green Party!

The Will County Green Party is a legally established, major political party located in Will County, Illinois. The party is guided by Ten Key Values and is part of a growing international movement that includes green parties and elected officials throughout the world. The party is affiliated with the Green Party of the United States and the Illinois Green Party. The party maintains comprehensive national and state political platforms, covering a wide range of issues such as healthcare, education, the economy, and many more. We invite you to compare the positions of the Democratic, Green, and Republican parties.
